OFFICIAL COLOURS

These colours should be reproduced faithfully.

Below is the ideal colour presentation for official applications.

When using backgrounds in the official colour, it is recommended to use the negative version of the signature.

For media or print materials with colour limitations, consider using the positive or negative version as appropriate.

 # 508090
RGB 8-79-106

 # AEAEAE
RGB 174-174-174

 # 7F7F7F
RGB 127-127-127

 # 595959
RGB 89-89-89

 # 9A0000
